In order to register for the course, students need to put the courses in their timetable in LSF clicking on: "markierte Termine vormerken".

In this way, the lecturer has your email address, in case he/she needs to contact you. There is no deadline for registering for the courses at the faculty.

Registering means putting the course into your timetable. However, please mind that you must register for all exams in November!

Exam dates and registration times will be published on the ISC website here in due time: <https://www.isc.uni-muenchen.de/klausurmasterplan/index.html>
